People in Business: A Who's Who

DR. ALAN MOELLEKEN has been named one of the nation's 50 best spine specialists by an industry publication. Becker's Orthopedic & Spine Review said it created the list based on input including the doctor's achievements, reputation and contributions to the field. Moelleken, an orthopedic surgeon specializing in spine disorders, has offices in Bakersfield, Blythe, Oxnard, Santa Barbara and Santa Maria.

He earned a medical degree at the University of Pennsylvania School of Medicine in Philadelphia, and completed an orthopedics residency at UCLA before going on to complete a fellowship in neurosurgery and orthopedic spine surgery at New York University.
